

COPPERFIELD SCHOOL VOLUNTEER / CONTACT FORM 2025/2026

Your involvement enriches our school program, and provides you an opportunity to be an active participant in your child's school community. Please feel free to volunteer at the school or at home when you are available. Refer to the school website under the Volunteer tab for helpful hints in the Volunteer Package.

In order to ensure the security and safety of our staff and students, all volunteers in our school **need to have a current police clearance** completed through the school. To apply you must bring 2 pieces of Government ID into the school.

Please fill out the following form even if you are unsure you are able to volunteer. The clearance can take up to 2 months or more to come back to the school, therefore, plan ahead in case there are field trips, activity days, and special events that you would like to participate in on short notice.
