1.2. Introduction of board members

Chair: Jenn Mann

Vice Chair: Kelli Pring

Secretary: Lauren (not present)

Volunteer Coordinator - Becky Dewit

2. Review of the Minutes from the last meeting - April 2025 Motion to approve by Jenn and 2nd by Kelli

3. Principal's Report

Thank You

- Staff are very thankful for the amazing teacher appreciation week
- Thank you for Becky DeWit for purchasing the tshirts for the grade 5 farewell.

Upcoming Dates

- June 5th is our last fun lunch of the school year
- June 19th is Fun Snack and Kindergarten Sports Day
- June 20 is sports day for grades 1-5

- June 25th at 1:15 is the grade 5 farewell

### One World Drumming

This was a massive success. Each of the classes was part of a performance and there was an amazing progression throughout the grades as the technique got more challenging that was much to do with the way our music classes have been taught.

\* A clip of the performances was shown\*

### Basketball Court

- We are looking between 15-30k to pav the “mud pit” to bring in basketball courts. We can use AGLC funds. We could have a better idea in the coming months.

### 2025-2026 School Year

- Bell times will be 8:00am to 2:30 Monday to Thursday. Currently we are 8:15 to 3:05pm. Fridays will be 8:00 to 12:00pm currently we are 8:15 to 11:45
- Lunch and Recess times will be impacted
- Recess Break will be 14 mins
- Lunch/Recess will be 6 minutes of eating time and 16 minutes recess.
- This change of times is to align that we are a busing school next year. Classroom Instructional time will not be impacted.

### Tipi Teachings

June 3 and June 4. The classes will be split amongst each day and will be learning about raising tipis and the history and importance of tipis

### 4. Volunteer Update- Becky

Not a lot of need for volunteers at the moment. We have been given approval to incentive our volunteers from the casino earlier this year with Front row seats at the Winter Concerts

#### 6. Wishlist items

Need a bit more money for the Grade 5 graduation. Being realistic, \$500 isn't quite enough to provide for all the students even though Becky was able to get such great discounts from Michaels. Requesting an extra \$500 for cake and extra markers for the t-shirts

We like to do Gift cards to the teachers for the upcoming school year. No changes are currently present to say we cannot. It is just important the teachers are well informed about the places they can be used.

#### 7. New Requests to Fundraising

- An extra \$500 for the Grade 5 Graduation.
- \$6000 in Gift cards
- \$3000 in Learning Commons materials

#### 8. Outdoor update (Landscaping (annual flower bed maintenance, general grounds upkeep, planter relocation, mudpit)

- No formal decision has been made about what to do with the outdoor. As of right now we are focusing on a basketball court where the mudpit is.
- The planters were moved by school.
- 

#### 9. Healthy Hunger Discussion

We are going to leave the current dates for healthy hunger for the next school year. First Thursday of each month will be Fun Lunch and Fun

Snack the third Thursday of each month.

10. Kinder Orientation Council Booth (signboard crew?)

- Alison is going to make a little slide show encouraging sign up for the next casino
- Kayla, Malorie and Jenn will be at the orientation and will have pamphlets printed off about school council
